Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/7/2020

Report Time:

1900

Situation Overview

- Worldometers COVID-19 Live Updates - March 7, 2020 at 1500 hours:
 - 105,983 (+4,057) confirmed cases in 101(+4) countries
 - 25,331 (+3,981) confirmed cases outside of China
- 3,466 (+104) deaths
 - 500 (+76) deaths outside of China

Number of Cases	Source
37 (+6)	Travel Related
4	Person to Person Spread (healthcare worker)
19 (+4)	Person to Person Spread (other close contact)
14 (+4)	Community Acquired
16 (+12)	Under Investigation
90 (+26)	Total
24	Repatriation
114 (+26)	Total (CA + Repatriation)

California Persons Under Investigation (PUIs) Tested (as of MHCC report on March 7, 2020)

Positive	Negative	Pending
114 (+26)	465 (+162)	299 (-4)

Confirmed United States COVID-19 Cases - per Centers for Disease Control and Prevention (CDC) As of 0900 on March 6, 2020:

Number of Cases	Source
36	Travel Related
18	Person to Person Spread
110	Under Investigation
164	Total Confirmed Cases
11	Total Deaths

- Data include both confirmed and presumptive positive cases of COVID-19 reported to CDC or tested at CDC since January 21, 2020, with the exception of testing results for persons repatriated to the United States from Wuhan, China and Japan.

COVID-19: Cases among Persons Repatriated to the United States = 49 Total

	Wuhan, China	Diamond Princess Cruise Ship
Positive	3	46

- Cases have laboratory confirmation and may or may not have been symptomatic.
- CDC's updates are posted at noon Monday through Friday. Numbers close out at 1600 the day before reporting.

Office of Legislative & External Affairs (OLEA)

OLEA, in coordination with CDPH and CHHS, have set a schedule of local, state, federal, and tribal elected officials, and tribal leadership briefings/conference calls as follows:

- Monday, Wednesday & Friday (1300 hrs target) for state, federal, and tribal elected officials, and tribal leadership.
- Tuesday and Thursday (1600 hrs target) for local elected officials in conjunction and coordination with League of California Cities and the California State Association of Counties (CSAC).

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/7/2020

Report Time:

1900

- State and federal elected officials briefing on March 6, 2020 at 1700 with a total of 144 participants.
- OLEA will continue to disseminate COVID-19 discussion points and information each evening to elected officials and staff while responding to legislative inquiries as appropriate.

Joint Information Center

- [Advance Planning COAs- Crisis Communications as of March 5, 2020](#)
 - [Developed plans and procedures to provide regular public information for maintaining public confidence and security with timelines.](#)
 - [Developed strategy to produce PSAs that tie to Pandemic Phases that can be pushed out to all segments of society.](#)
 - [Recommended Public Education Campaign and information messaging that focuses on required actions and directives.](#)
 - [Developed specific information sets for various targeted sectors: Schools, Work Place, Medical, Emergency Services, Etc.](#)
- On March 4, 2020, under the direction of Governor Newsom, the Department of Managed Health Care (DMHC) directed all commercial and Medi-Cal health plans regulated by the Department to immediately reduce cost-sharing to zero for all medically necessary screening and testing for the COVID-19. This includes waiving cost-sharing for emergency room, urgent care or provider office visits when the purpose of the visit is to be screened and tested for COVID-19. The need for COVID-19 testing is based on medical necessity, a clinical determination made on a case by case basis by medical professionals.

Office of Tribal Coordination

- Cal OES Tribal Office is coordinating a Tribal Assistance Coordination Group (TAC-G) scheduled for Monday, March 9, 2020, at 1100 hours. Information for the call will be sent out by close of business March 6, 2020.

Access and Functional Needs (OAFN)

- OAFN is conducting weekly COVID-19 calls with AFN community and government leaders. The calls enable whole community engagement, situational awareness, the identification of unmet needs, and opportunities for collaboration.

International Affairs

- Consul Generals of Philippines, Japan, Mexico, United Kingdom, and Canada contacted International Affairs to request the names of foreign nationals on the cruise ship Grand Princess.
- Provided the Consul Generals the Government Affairs Point of Contact of the Princess Cruise ship so that they can directly request the list of their respective foreign nationals.
- Sharing intel with the Office of Foreign Mission (OFM) San Francisco and Los Angeles.
- The US State Department is sharing information with the Embassies. The SF and LA OFM will disseminate information with the local Consul Generals.

Emergency Support Function – 5 (Emergency Management)

California Governor's Office of Emergency Services (Cal OES)

The Cal OES State Operations Center (SOC) activated March 2, 2020 at 0700 hours in support of the California Department of Public Health Medical Health Coordination Center (CDPH MHCC). Cal OES will continue to provide resource coordination to the COVID-19 event, as well as situation status reporting, and advance planning across multiple areas.

Emergency Management OA Reports

Santa Clara County

- Santa Clara County EOC is requesting a CDPH liaison to embed into their EOC.
- Action Day Primary Plus in San Jose is closed until March 9, 2020 after learning a teacher tested positive for COVID-19.

Sonoma County

- The private Healdsburg School canceled classes on March 2, 2020 as a precautionary measure until further notice (approximately 200 students impacted).

Special District

- Bay Area Rapid Transit (BART)
 - BART has stood up an internal Pandemic Task Force involving all BART Divisions, which meets on a Bi weekly basis.
 - BART has commenced additional cleaning measures such as wiping down all touch points and hand-contact surfaces both on trains and stations with hospital-grade disinfectant daily.
 - External Affairs has updated the BART website with public messaging and posted posters for public information.
<https://www.bart.gov/news/articles/2020/news20200225>
 - In the event of suspected or confirmed COVID-19 exposure on the system, BART will carry out these additional steps:
 - △ Enhanced Train Car Disinfecting
 - △ Activate crisis communication protocols and coordinate with PIOs of other transit operators and county public health agencies to develop Joint Information System protocols.
 - △ BART will activate the EOC and coordinate with MTC, DEM and Transit Agency partners on a regional unified response in consultation with the CDC, CDPH, and local public health departments.

Task Force: Shelter

- Advance Planning COAs- Sheltering/Housing for Social Distancing as of March 5, 2020
 - Sustained/Facilitated and prioritized "Just in Time" transportation services during Pandemic for key items such as fuel, food, medicines, medical supplies, chlorine for drinking water, etc.
 - Ensured that commodities and emergency supplies continue to flow.
 - Assessed and planned for systematic review to ensure private sector and government supply chains remain operational.

Office of Private Sector / Non-Governmental Organization Coordination (PS/NGO)

- PS/NGO, in coordination with CHHS, CDT, and Go-Biz is compiling a list of private sector entities that are supporting the state in their response and preparedness efforts for COVID-19.
- PS/NGO is supporting Go-Biz with holding a call with business leaders across the state to discuss current issues, best practices, and EDD guidelines for employers. This call will be a weekly call held every Tuesday at 1100 hours.
- PS/NGO, in coordination with the Governor's Office (GO), is working with Philanthropy CA to advise and direct philanthropy dollars in California to support local communities. PS/NGO is also

supporting the GO in developing new recommendations for the CA League of Community Foundations on how to respond to this type of disaster.

California Utilities Emergency Association

- Metropolitan Water District of Southern California – Activated their EOC at Level 3 (lowest level) which is being staffed virtually M-F from 1000-1600 hours.
 - Actions being taken:
 - A pandemic taskforce is meeting regularly.
 - Communicate with employees and educate them.
 - The Emergency Operations Center is activated at the Level 3 (lowest) in a virtual mode to monitor the spread of COVID-19.
 - Monitor network capacity to support telework on a large scale.
 - Business travel is limited to critical and essential functions at management discretion.
- Palmdale Water – Activated pandemic response plan, not their EOC.
- California Independent System Operator (CAISO) – Scheduled in person meetings will now be by teleconference, All CAISO facility tours and travel has been suspended until April 1, 2020.
- Northern California Power Agency (NCPA) – Non-essential travel canceled and on/off site meetings are being kept to a minimum.
- T-Mobile – Travel restrictions.
- AT&T – Travel restrictions for air and train travel.

Emergency Support Function – 1 (Transportation)

- Advance Planning COAs - Sustaining Transportation Infrastructure/Supply Chain as of March 5, 2020
 - Sustained/Facilitated and prioritized “Just in Time” transportation services during Pandemic for key items such as fuel, food, medicines, medical supplies, chlorine for drinking water, etc.
 - Ensured that commodities and emergency supplies continue to flow.
 - Assessed and planned for systematic review to ensure private sector and government supply chains remain operational.

Emergency Support Function – 2 (Cal OES Public Safety Communications [PSC])

- Communication Reserve Unit Radio Operators staffed/on-call for the SOC Communications Center to assist with USCG shore to ship communications.

Emergency Support Function – 6 (Mass Care and Shelter)

NSTR

Emergency Support Function – 7 (Logistics)

- Advance Planning - Commodities and Logistics as of March 5, 2020
 - Reviewed existing stockpiles, across agencies and departments, for Pandemic Supplies and Commodities, by Agency, Department, Location, Item, Quantity, Gap, Requirement, and Priority.
 - Reviewed location of Mobile Field Hospitals, both Public and Private.
 - Identified necessary contracts or commodity purchases that should be executed and when.
 - Reviewed and Identify IT/Web Site Upgrades or Issues that will be required for telecommuting or Information Requirements.

Emergency Support Function - 8 (Public Health and Medical)

- Advance Planning - Health/Medical as of March 5, 2020
 - Developed strategy for distribution of anti-virals when available.
 - COA to further enhance surveillance strategy, including effective integration of data.
 - Enhanced testing capability and capacity.
 - Identified guidance to be provided and timing by pandemic phase.
 - Reviewed other Con Ops Response actions to identify areas that require strategy development.

California Department of Public Health (CDPH)

- The Medical and Health Coordination Center (MHCC) is activated at a Level 2. CDPH Richmond Campus Coordination Center (RCCC) Sciences Branch is activated to support and coordinate COVID-19 response activities, including a return traveler-monitoring program. The Sciences Branch includes subject matter experts, scientists, clinicians and other functions that make up a clinical, laboratory, infection prevention, epidemiology, and surveillance.
- The MHCC Receiving Storing Staging (RSS) Mobilization Center is activated to respond to resource requests.
- The MHCC has received a total of 1,213 (+59) inquiries from local health jurisdictions and healthcare facilities. Inquiries are being forwarded to subject matter experts as appropriate.
- On March 6, 2020, CDPH developed an information line that provides COVID-19 information to the public in English and Spanish.
- CDPH held a conference at 1700 hours on March 7, 2020 to update Local Health Officers and County Health Executives Association of California (CHEAC) members from a select number of counties on the latest developments regarding the Grand Princess Cruise Ship and COVID-19.

Planning

- CDPH continues to develop advanced pandemic planning.
 1. Modeling of assumptions for COVID-19
 2. Communications Strategy and Plan
 3. Non-Pharmaceutical Interventions (NPI)
 4. Laboratories
 5. Epidemiology & Surveillance
 6. Health Care System Planning
 7. Medical Countermeasures (MCM)
 8. Human Resources (HR)

Guidance

- On March 7, 2020, CDPH Finalized laboratory testing/reporting guidance based on revised CDC PUI definition.
- On March 7, 2020 CDPH posted three new guidance documents: Guidance for event organizers, guidance for schools, and institutions of higher education. These documents

and many others are available on the CDPH website:

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Immunization/ncov2019.aspx>

Laboratory Testing

- Laboratories Field Services posted a compliance guidance letter around the FDA, this relaxed FDA EUA requirements, and was sent to 2,900 labs that were affected.
- Center for Infectious Diseases (CID) is in contact with Lab Corp and Quest at a high level to coordinate possible testing.
- 14 California public health labs are currently testing:
 - CDPH Viral and Rickettsial Disease Laboratory (VRDL), and [Monterey](#), [San Luis Obispo](#), [Sonoma](#), Alameda, Contra Costa, Santa Clara, Tulare, Ventura, Los Angeles, Orange, San Diego, Sacramento, and San Francisco County labs.
 - VRDL will provide diagnostic testing for PULs with a 48-hour turnaround time.
- Five California PHLs have test kits and are currently in the verification process. The labs are: Shasta, San Mateo, San Bernardino, [Solano](#), and [Humboldt](#) county labs.
- Three California PHLs are waiting for reagents/kits. The labs are:
 - San Joaquin, Long Beach City, and Riverside County.
- CDPH is continuing to draft guidance for LHDs for low risk exposures, including Westerdam cruise passengers, and will add it to the general risk assessment guidance.

Healthcare Delivery System

- The CDPH Center for Health Care Quality (CHCQ) is working on creating the statewide mitigation plan for the health care system.
- CHCQ is working on combining Office of Statewide Health Planning and Development (OSHPD) and CHCQ lists of sites for alternative care.
- CHCQ continues to work with the District Offices to review and approve program flexes that are being requested by health care facilities to manage COVID-19 concerns. A dashboard identifying approved program flexes for health care facilities has been created to help analyze data to meet surge concerns.
- CDPH will host weekly conference calls to update Local Health Departments on the latest developments regarding COVID-19. The next call is March 12, 2020.
- CDPH will host weekly all facility/provider calls. The next meeting is March 10, 2020 at 0800 hours.

Emergency Medical Services Authority (EMSA)

- EMSA has posted interim EMS Guidelines for COVID-19 to the EMSA website. It can be found at: <https://emsa.ca.gov/wp-content/uploads/sites/71/2020/03/COVID-19-Memo-to-EMSPartners-003.pdf>
- EMSA is coordinating with Fed Region IX, several Bay Area counties, and the RDMHS Program on the classification of persons aboard the Diamond Princess cruise ship. This classification will assist in determining the mode of transport and destinations of persons depending upon their status: exposed and asymptomatic, positive test and asymptomatic, and symptomatic.
- EMSA is coordinating ambulance transportation, including Ambulance Strike Teams, as needed for the potential movement of patients from the cruise ship.

Department of Health Care Services (DHCS)

- On March 7, 2020, CVS released a memo stating that they would provide diagnostic testing and telemedicine visits to Aetna members, with no co-pay.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/7/2020

Report Time:

1900

- DHCS is currently working on scripts for our call centers and others to respond to people (beneficiaries, providers, plans, etc.) calling DHCS.

Medical Health Operational Area Reports

Contra Costa

- Contact tracing and investigation is still in process, but as of now, CCHS has not identified any evidence of recent travel to a COVID-19 affected area or close contact to a confirmed COVID case, which suggests this community member was exposed locally.
- Requesting survey from county health facilities for PPE and masks to submit resource requests for State supply of expired N95 masks.
- Preparing for a sustained response to contain COVID-19, including consideration of future measures to limit and slow the spread of the disease.

Calaveras

- Awaiting direction on stockpiled N-95 masks in OA that are not part of the CDC testing batch for EUA.
- Monitoring of health care facilities and providers for PUI, advisory notices given to all healthcare providers in the county with updated PUI information for February 27, 2020. Information posted on Public Health website and press release dispatched countywide. Continuing to address rumors from the public.

Inyo

- PUI and external triage, decreasing numbers of exposures.

Los Angeles

- LACDPH continues monitoring all PUIs and contacts, including healthcare workers.

Marin

- Marin County Public Health is working with our hospitals and healthcare facilities to determine testing and PPE needs.
- A central testing location will be set up next week
- Marin County Public Health is centrally locating emergency supplies and taking inventory.

Stanislaus

- Communicate guidance to:
 - Public on events, disease, and prevention
 - Clinicians on diagnosis, treatment, and prevention including infection control
 - First responders including fire, law, and EMS

San Diego

- The Public Health Laboratory is working closely with CDC/CDPH on test specimens for COVID-19. Public Health is actively working with agencies, groups and public safety agencies, healthcare/hospitals in planning and preparations for a COVID-19 case in San Diego County and community transmission.

San Mateo

- There is evidence of community spread of COVID-19 in San Mateo County (SMC).
- San Mateo County Health Officer updated COVID-19 public statement and guidance.
- A public-facing COVID-19 call center is activated and operating 24/7.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/7/2020

Report Time:

1900

- Temporary housing for individuals without other suitable housing for isolation or quarantine in process of being secured.

Santa Barbara

- Established Public Health Officer (PHO) COVID-19 response team to coordinate and communicate monitoring, response operations, health care and public agency guidance, and public information.

Emergency Support Function – 13 (Public Safety and Security)

- Advance Planning - Law Enforcement to support social distancing as of March 5, 2020
 - Public Health Interventions and Social Distancing.
 - Identified isolation Centers and Orders.
 - Identified impacts to 911 System.
 - Special Teams, Mobile Field Forces, Mutual Aid and coordination with federal LE.
 - Use of National Guard.
 - Incorporation of DOD.
 - Reviewed Legal Authorities and Regulations.
 - Reviewed Proclamations, Emergency Orders and Enforcement

Other California State Agencies / Associations / Departments

California Department of Consumer Affairs (DCA)

- NSTR

California Department of Finance (DOF)

- NSTR

California Department of Food and Agriculture

- NSTR

California Department of Education (CDE)

- On March 7, 2020, the USDA approved CDE's waiver request to provide flexibility in how school meals are served meals due to COVID-19. The waiver allows CDE to approve on a case-by-case basis schools to serve meals in a non-congregate setting during unanticipated school closures, to ensure kids can continue to receive nutritious meals. School Food Authorities must contact CDE for approval.
- On March 5, 2020, the CDE published a COVID-19 web page, <https://www.cde.ca.gov/ls/he/hn/coronavirus.asp>, and provided further guidance and resources to all county and district superintendents, charter school administrators, and principals.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/7/2020

Report Time:

1900

- CDE is coordinating a call with the Governor's Office, CDPH, and the 58 County Superintendents of Schools to provide guidance for schools on Monday, March 9, 2020.

California Department of Social Services (CDSS)

- The American Red Cross has agreed to launch their Safe and Well Program in response to the Princess Cruise Ship event. Link below:
 - <https://safeandwell.communityos.org/cms/index.safe.php> - event name 'Grand Princess Corona Virus Outbreak – March 2020.
- Assisted in coordination of resource procurement for Critical Care and Licensing facilities (CCL).
- CDSS field operations completed two site assessments for Cal OES leadership.
 - Reports written and distributed.
- Coordinating with DGS, CDPH, and EMSA on advanced planning.

California Governor's Office of Business & Economic Development (GO-Biz)

- GO-Biz continues to work closely with its partners across the state, and around the globe, to monitor ongoing business and economic issues. We are sharing all reports directly with DOF for better coordination on economic impact messaging.
- GO-Biz is hosting weekly briefings with key statewide and regional business and economic development organizations. These calls will begin Tuesday, March 10, 2020 and will include updates from agency partners including CHHS, EDD, and Cal OES. GO-Biz is also collaborating on private sector engagement with PS/NGO, HHS, CDT, and GO.

Government Operations Agency (Gov Ops)

- Updated versions of FAQs for managers and directors with guidance on dealing with employee absenteeism/ATO was distributed on March 6, 2020.
- Email to all state departments regarding precautionary cleaning protocols and email regarding procurement have been reviewed by the JIC and is pending final approval.
- In light of Elk Grove School District closure announcement, the following guidance documents are being accelerated: telework guidance to departments, IT units, and employees, and guidance to departments on ATO, etc.
- Working with GO on assessing private sector predictive AI tools to help CHHS/CDPH.
- Provided a list of available hotel rooms (500) to Cal OES for cruise ship planning.
- Drafting press release with JIC on roping off the bear near GO entrance and working on educational signage. Rollout date TBD for the press release.
- Coordinating with Judicial Council and sharing appropriate guidance for state employees and facilities.

Labor and Workforce Development Agency (LWDA)

- LWDA's website now reflects all the COVID-19 employer and worker resources developed: <https://www.labor.ca.gov/coronavirus2019/>
- **Employment Development Department (EDD):**
 - Provided a memo to LWDA for approval regarding Unemployment Insurance eligibility for claimants affected by the COVID-19.
- **Department of Industrial Relations (DIR):**
 - The Labor Commissioner's Office submitted final draft of FAQs to DIR and LWDA. FAQs are approved and posted: <https://www.dir.ca.gov/dlse/2019-Novel-Coronavirus.htm>
 - Outreach event canceled due to COVID-19 concerns.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/7/2020

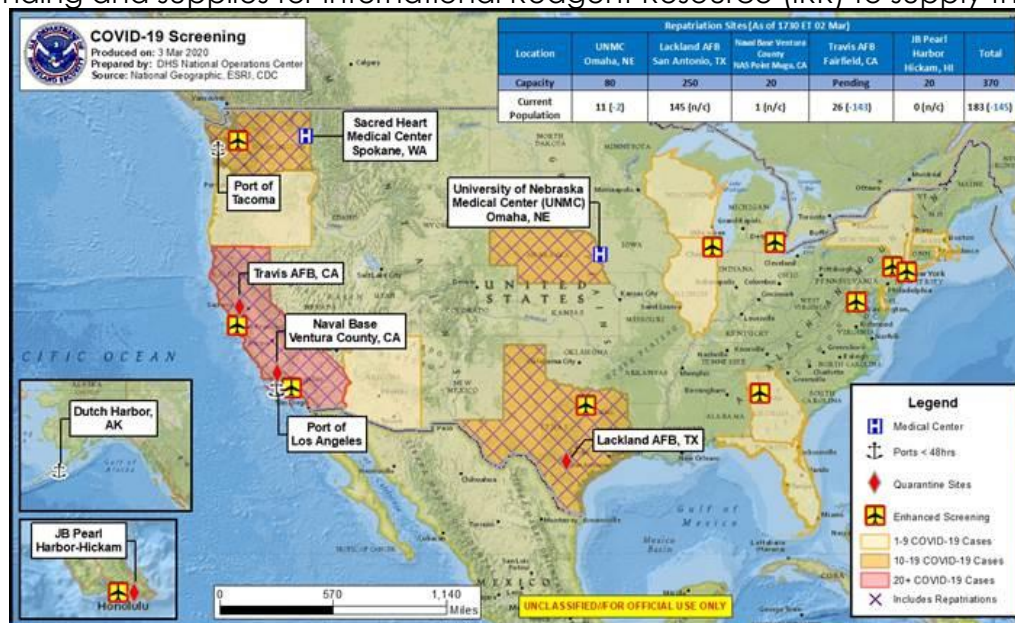

Report Time:

1900

- “Workshop Presenters for the 40th State Migrant Parent Conference”-- The Santa Clara County Department of Health is recommending the cancellation of all events. Team participants were informed of the cancellation.

Centers for Disease Control (CDC) Actions

- On March 6, 2020, CDC awarded \$25 million to 21 of the most heavily impacted jurisdictions due to COVID-19.
- CDC expects the “Big Four” commercial labs will be coming online for COVID-19 testing within the coming week or so (Lab Corp, Arup, Quest, Mayo).
- CDC is working to replenish some test kits delivered to some jurisdictions with increased testing need. CDC is also aware of shortages in some of the ancillary reagents and is working to obtain additional funding and supplies for International Reagent Resource (IRR) to supply those.

CDC Travel Advisories for COVID-19
